Re: Postponement of June 2025 YEMSA EMS Protocol Updates

Memorandum

The release of the Yolo County Emergency Medical Services Agency (YEMSA) scheduled annual protocol updates has been postponed from June 1, 2025, to June 16, 2025. This short delay in the scheduled release of these updates will allow for more socialization of the upcoming changes for the smoothest transition possible.

More information about the upcoming changes and a self-paced training on the updates will follow in the coming days.
