## Closure on County Road 93 Due to Culvert Replacement

**(Woodland, CA)** – The Yolo County Public Works Division will replace a deteriorating culvert pipeline on County Road 93, approximately five miles west of the City of Woodland. Construction is scheduled to take place from Tuesday, January 13 through Tuesday, January 20, weather permitting.

To safely complete the work, County Road 93 will be fully closed between County Roads 24 and 25 on weekdays from 7:00 a.m. to 4:30 p.m. The road will reopen to traffic each evening. Motorists should expect delays and are encouraged to use alternate routes.

Traffic control signs will be in place to guide motorists around the work area, and local access to properties and businesses within the closure area will be maintained throughout construction.

For a map of Yolo County road closures and major maintenance projects, please visit [www.YoloCounty.gov/road-closures](http://www.YoloCounty.gov/road-closures). The public is reminded to slow down and obey all posted construction signs and directions from flaggers when traveling through work zones.
